

Parents,

To help keep you up-to-date about classroom news and assignments, I've signed up for Remind this year. Remind is a free service that lets me send one-way messages via SMS, push notifications or email to everyone involved with the class.

Remind will keep our phone numbers private, while making it a lot easier to stay in touch about the class.

Signing up for my messages on Remind is a quick and easy process:

To sign up for text message updates from my classroom, click the link in the table below.
