Agenda

1. Agenda/Minutes

Agenda was approved by consensus.

Minutes from the last meeting were approved by consensus.

2. Budget

Discussion of items we think should be added to the district's Needs List. SBDM members were encouraged to discuss and report back needs within the next week.

Some needs suggested: Amplify materials from kits; Books used for Interactive Read Alouds in grades K - 5; Some way to make the pick-up area safer; Striping of the parking lot.

3. CSIP goals

Should have a goal that is related to writing.

SBDM agrees on a proficiency goal of 70% in reading and math.

SBDM agrees on a goal of less than 10% novice in all tested areas.

SBDM agrees that we should have a proficiency goal for gap students as well.

4. Playground update

Option 4 - "The Backwoods" was the one chosen by the students, parents, and staff in the playground poll.

The Sprout Fundraiser finale day is Friday, May 3.

We will put a display in the front hallway that will help us track our progress toward the \$42,000 needed to purchase the new equipment.

It would be a great idea to create an additional account to accept donations that are directly for the playground.

5. Adjourn

Motion to adjourn by Logan, seconded by Marshall.

Adjourned at 4:56.
