

### **Safe Harbor Academy Phone Policy**

All students are required to turn in all electronic devices at the beginning of the school day. The SHA staff understands that there are times when students need to make a phone call. Students will be permitted to utilize the LAN line only during lunch unless otherwise deemed emergency or special circumstance by SHA staff.

Any student who does not turn in their cell phone during check-in and has it on their person during school will have their phone confiscated. 1<sup>st</sup> Confiscation=3 days; 2<sup>nd</sup> Confiscation= 10 days; 3<sup>rd</sup> Confiscation is 30 days. This policy is in place to ensure class time is focused on rigorous instruction and engagement with content.
