EXTRACURRICULAR POLICY

We support extracurricular programs based on the following criteria:

- I. Contribution to students becoming self-sufficient individuals.
- II. Contribution to students becoming responsible members of a family, work group, or community.
- III. Student interest.
- IV. Ability to arrange suitable adult supervision.
- V. Ability to attract students currently not involved in extracurricular activities.
- VI. Ability to enhance or maintain equity in our overall program.

We will approve extracurricular activities based on their ability to meet the criteria listed above.
